Knowledge through Teamwork*

GATLINBURG 2004

# Tennessee Boiler Inspectors Falls Conference

Glenstone Lodge  
Gatlinburg, TN

September 22 & 23, 2004

Hello,

The Boiler Inspection Division of the Tennessee Department of Labor & Workforce Development is proud to announce the 2<sup>nd</sup> Annual Tennessee Boiler Inspectors Fall Conference. This year, the 22<sup>nd</sup> & 23<sup>rd</sup> has been opened to members of industry. We are looking forward to individuals from various insurance, repair, manufacturing and operation companies to be attending the conference.

The agenda for Wednesday and Thursday will be filled with meetings and training that is beneficial to all in attendance. Starting off on Wednesday, everyone will have the opportunity to attend the quarterly meeting of the Tennessee Board of Boiler Rules, followed by training that will be conducted with the National Board of Boiler & Pressure Vessel Inspectors. Training will continue Thursday morning, wrapping up the conference with a sit down luncheon for all registered attendees.

This year's conference will be held at the Glenstone Lodge. The Glenstone will be holding only a limited number of rooms under the conference name. For your convenience, below you will find a list of additional hotels in the immediate area of the Glenstone. Also to the right you will find a tentative agenda of the conference meetings and training sessions.

The theme of this year's conference is: ***"Safety through Knowledge, Knowledge through Teamwork"***. Let's all get together, to work together for a common goal of safe operations of boilers and pressure vessels in Tennessee. I hope to see you in September.

Sincerely,

Martin R. Toth  
Chief Boiler Inspector
